

Church Return Plan

Faith Baptist Church will be resuming Sunday worship starting May 10th with some temporary changes in order to follow the Governor's directive.

- We will have one service at 10:00 AM. We ask that no one except Pastor, worship team and attendants enter building until 9:40 a.m.
- Upon arriving, a guest services member will give you directions on entering the building.
- A host/hostess will seat you in order to maintain social distancing. We ask that you maintain six feet of distance from other people/families at all times.
- We ask that if you are running a fever or feeling ill that you stay at home to protect your church family and community.
- Please feel free to wear masks if you wish.
- We will have attendants (ushers and guest service helpers) posted throughout the building that will open all doors to prevent unnecessary contact.
- We ask that those who use the restroom use the following procedure.
 - When entering use your shoulder to push open the door.
 - When exiting use a paper towel to grab the handle and then throw away the towel in a waste container by the door.
- Attendants will also give directions in order to maintain precautions.
- There will be no nursery or children's' church.
- The nursery will only be available for those who are changing their child or nursing. Upon finishing they must exit the room. Due to the small size of the room it is too difficult to maintain social distancing therefore no more than two adults can be in the room at the same time.
- For children who are restless or crying we will have an overflow room where they can watch the service.
- Only rooms which are essential will be open. All others will be cordoned off.
- We will temporarily suspend Sunday School until further notice.
- In order to reduce person to person spread of virus.
 - There will be no bulletin.
 - There will be no hymnbooks
 - There will be no food or drink served.
 - The drinking fountain will not be available. We encourage you to bring your own water bottles.
 - There will offering plates at the back for giving.
- We will sanitize the building in between services.
- We appreciate your understanding and help during this transition.
